Since judging should focus on the *process* of invention rather than the content of an invention, judges will be assigned a specific number of inventions to judge at specific schools which will result in judging inventions from any of the following categories:

Clothing/Health and Beauty Aids
Kitchen Aids/Household Helpers
Handicapped Aids
Technology

Foods
Pets
Safety
Miscellaneous

Games and Toys
Homework Helpers
Outdoor Recreation/Sports

Please return on or before Friday, January 20, 2012 to:
